## Kingdom Advanced Services LLC

### NO SMOKING POLICY

Kingdom Advanced Services LLC company encourages all its employees to practice good health habits and discourage the use of tobacco in any form which will affect the persons health and other in form of passive smoking.

This policy applies to all employees of Kingdom Advanced Services LLC as well as to visitors, contractors, and temporary staff. We believe that the right to clean air and the health of non – smokers superseded the right of others to smoke. Therefore, we clearly state the company must be smoke and tobacco free at all times.

non-smokers from the hazard of passive smoking, the reasons for enforcing this policy are various as follows:

- To safeguard the legality of the company by adhering to relevant legislation of sultanate of Oman.
- To limit the probability of fires started improperly discarded cigarettes, cigar etc.
- To avoid falsely setting off alarms and smoke detectors
- To preserve the image of a clean workplace without unpleasant smells or smoking -related trash.

For these reasons, smoking is strictly prohibited indoors and outdoors at company facilities unless there is a designated area especially for this purpose.

This non- smoking policy covers all premises including bathrooms, hallways, staircases etc.

It also includes company property that is leased or owned by the company (warehouses, vehicles etc). The Prohibition is in effect before, after and during working hours.

Smoking may be permitted during normal breaks and only at the designated smoking areas /rooms and the employees who are smoking at the designated smoking areas / rooms have to always extinguish their cigarettes and other smoking material (e.g., matches, buds) and discard them only in appropriate containers.

At any time, smokers are advised to respect their fellow people by keeping a safe distance from them.

Employees will be thoroughly informed of the guidelines of this policy through official bulletins boards, company newsletters or post and appropriate signs. Employees who welcome visitors or clients on company premises are obliged to inform hem of our non-smoking policy and point them to designated smoking areas.

Employees who disregard the guidelines of this smoking policy will be subject to disciplinary procedures including termination from services depending on the severity or the frequency of the offense. This policy will be enforced with documented management commitment and review, supported through supervision and complied with all personal.

**“REMEMBER THAT SMOKING IS INJURIOUS TO HEALTH”**
